POWER!

THAT KEEPS THE PRESSES ROLLING

The power that keeps the presses rolling must be strong, not as tanks are strong, but as truth is strong. For the presses are rolling to keep freedom alive in Canada. By printing the news accurately, your newspaper keeps you well informed, and thus makes self-government possible. By printing the advertising facts, your newspaper keeps democracy working in business, helps you to live better, to get the most for your money.

A free and independent press is a nation's best guarantee for the preservation of that liberty for which Canada and the Empire are at war.
